and \$ due

Friday, Sept. 9th

Spelling Test

Reading Log

Tuesday, Sept. 13th

Picture Day

Token Question:

Do plants sleep at night? Explain why!!

***Parent Training Night...6-8 pm. At least ONE member of your family must be present. It does count as a missed commitment if not present. I will be highlighting procedures in the classroom as well as answering any burning questions which you may have!!*

What We've Been Doing!

We are knee deep in place value and rounding whole numbers in math. Even though we aren't specifically working on multiplication, I urge you to be practicing with your child any spare moment you can!!! 5 minutes here and there will help!! We just keep building concepts and the better we are at multiplication, the easier math will be! We are tracing Kek's first steps in America in Home of the Brave and enjoying some of the humorous word pictures we've read about. Photosynthesis is the reason we can live, we are discovering, as we learn to highlight important concepts as we read.

Extras

Monday-Ule

Tuesday- Band/orchestra

Thursday-Band/orchestra
