Choice Day
FALL FESTIVAL!!

Monday, October 31st

Student G. items due

Token Question:

What is your guess as to what the teachers are dressing up as this year????! You may guess, but I will never tell!

We are enjoying having Gordy Pratt visiting our room daily. He has our creative mojo working as we try to create a song for the culminating activity which will be on Friday from 10:15 to 11:15. Cartoon, dragons, trains, purple curtains from Spain, shoes and gummi bears are some of the ideas being thrown around.

Double check your shift times for Fall Festival on Friday!! We appreciate your help in raising money for field trips! Times are on parent table.

What We've Been Up to

In math we finished up Chapter 3 test and will be heading into division, which I know we need a lot of practice with!! So this should be interesting. Our island and dragon projects are wrapping up and HOPEFULLY will be ready for presentation during parent teacher conferences. Your conference time will be in Monday folders. Please let me know ASAP if that doesn't work.

Last day for I Can program. If you would like to come for graduation, you are welcome. It will be a simple ceremony. I CAN starts begins at 10:20 and goes until 11:20.
