

## Kindergarten News

We have started our science unit on The Five Senses. On Thursday, December 8<sup>th</sup> we will have a "Tasting Party!" Your child should bring 23 small bites of something to pass out to each person in a baggie. The item should be easy to identify as sweet, sour, bitter, or salty. The children LOVE this activity.

The Sioux Falls school safety officer will visit us on Wednesday and present a program on "Stranger Danger." This is always a good discussion to have with your child.

We will have our classroom Christmas party on Thursday, December 22<sup>nd</sup> in the morning, followed by Family Traditions activities in each classroom in the afternoon. The girls should purchase a small gift for a girl and the boys buy one for a boy. The gifts should be around \$3.00. Please wrap the gift and label it-

To a Boy, From, \_\_\_\_\_. The gifts will be numbered and the children will draw a number at the party to determine which gift to open.
