

Mrs. Lundquist's 5th Grade Newsletter

January 3-6

Thursday, January 5th

Jr. Achievement begins

Friday, January 6th

Reading log

Spelling Test

Sheltered Reality-Drum group will be performing at 10:15

Swimming Day!

Friday, January 20th

(I gave you some extra time!) Science Fair-Step 3 due...testing of your experiment

Beginning January 17th, our class will begin going to the National Guard facilities for 5 day long sessions. It's a blast. There will be tons of experiments and hands on adventures. If you are scheduled for one of those days you will be coming with and helping drive. There is a sheet on the back table for you to tell how many your vehicle can hold. Then we can decide from there how many more drivers we will need. If it's NOT your commitment day, but you can help get us there or pick us up, that is all you would have to do for that time! The dates are January 17th, February 3, 13, 23, and 27th. I will have specific directions for you closer to the dates....we alternate between two different facilities. Sign up ASAP so we can determine what arrangements we will need!

So now we are on to the actual experiment stage of our science fair project. Please read over step 3 together as to the guidelines to follow. I gave an extra week for you to get this done, however you should be working on your board and presentation as well. Don't leave everything until the end. 3 ½ weeks until science fair. Your boards should be purchased this week to get you going!

Token Question:

What is Sheltered Reality??? (besides a drum group)

January 16-20

All Families must have one representative attend a Parent Training Session on Bullying from 11:30 to 12:00 (it will be offered each day of that week) Even if you are a WEEK TWO ONLY parents, you must have one family representative attend! Attendance will be tracked!

Congratulations to our newly elected Safety Patrol!!

Captain-Max C.

Outstanding Patrol-Jordan, Haden, Max C.

Great work! We see great leadership in you!
