

Kindergarten News

Happy New Year! We are glad to be back and will be busy in the classroom as we read and write about winter fun. We will also study about animals in the winter, and begin a science unit about the sky next week.

On Wednesday, January 4th, we will go on a field trip to the Outdoor Campus for "Snug in the Snow." Wednesday parents, please plan to drive. I may need one or two additional drivers, so please email me if you can go. We will leave at 8:15 and return at 10:00. Thank you.

In Family, this week, we have Holiday Show and Tell. The students can bring a gift they received for Christmas to show. Kindergarteners should bring their item on Thursday, January 5th.

Things to be working on at home: sight word flashcards, addition facts to 6, writing last names, tying shoes and number recognition to 100.

Looking ahead, Mr. D. would like you to begin making plans to attend a special parent training session taking place the week of January 16-20 from 11:30 to 12:00 in the library. You can attend on the day of your commitment time and attendance will be taken.

I want to thank each of you for blessing me so abundantly! Your kind words and expressions of gratitude at Christmas time meant so much to me. I am privileged to have the opportunity to teach at All City with such wonderful families! Thank you so much!

Mrs. Swee
