Spelling Test #22

Reading log

STARBASE

SACK LUNCH

Dress warmly as I believe we will be touring the Air Base!!

No Swimming this month

WEAR LIVESTRONG t-shirts or black and yellow

Monday, February 6

Token Question:

Find the LCM of 15 and 50.

STARBASE this week is at the Air National Guard. Morning parents can come with us. Be dressed for outdoor tour. If you are an afternoon parent, you can meet us out there, OR come here to school at 11:30 and come get us by 2:00. I will make that your choice. (there isn't a lot of room at this facility)

****Conferences are February 8 and 9th (Wednesday and Thursday)! Please let me know ASAP if your assigned time does not work!**

What we've been up to!

Well, we can cross ONE more thing off our busy year with Science Fair! The kids did a great job. I am pleased to announce that three students who have been selected to go on to the Washington Pavillion Science fair are: Kade, Elise and Sam. Alternates: Dante and Chandler.

In math we are charging through LCM, GCF, improper fractions, mixed numbers and comparing fractions. We will also be getting ready for some test prep to see what we need to get ready for!!

In Hatchet we've been learning about the different types of figurative. Do you know what an Onomonapea!

**Congratulations to the Newly Elected Safety Patrol Members
Captain-Haley K.
Lieutenant-
Outstanding Patrol-Jordyn,
Hunter, Elise and
Amrutha!!**

Way to go, 5th grade!

Note from Mr. D. IF your child has an e-reader that they would like to bring to school for silent reading time, that is fine. However, it is with the understanding that the student is 100% responsible for anything that may happen!!!
